

UF CARD Sibling Support Groups

Who: Siblings of UF CARD constituents ages 8-12 years old.

What: UF CARD's sibling support groups are designed to provide support to siblings of individuals with autism and related disabilities. This unique opportunity provides children ages 8-12 the chance to talk about what's good and what's not-so-good about having a sibling with special needs. Through a variety of games and discussion activities, participants will have the opportunity to ask questions and help each other tackle issues specific to their unique situation. We welcome you to join us for this fun, informative, and supportive event!

When: Various days throughout the year.

Where: Location alternates between the UF CARD Office and various fun places in the community.

Cost: FREE! Snacks will be provided.

Participation allowed on a first-come, first-served basis. Space is limited. Participants must have a sibling registered with UF CARD.
